

ENGINEER OF LIGHT.

light source

Energy efficiency category A/A+/A++ work equipment electronic ballast connected load 220-240 V; 50/60 Hz **Power consumption** approx. 26 W luminous flux approx. 2150 lm luminous efficacy approx. 82 lm/W colour temperature neutral white, approx. 4000 K

color rendering index (CRI) >= 80

glare control conical prismatic screen System of protection IP20 class of protection

switchable technology operation rocker switch

luminaire body aluminium/plastic, anodised, aluminium coloured anodised

weight (net) approx. 4.5 kg

connection box, built-in plug mains supply

GST 18i3F REV **Fastening** screw down lash special features through-wired
